

Aptos Branch Library Grand Opening

Key Stakeholder Eric Howard

Interim Director

Santa Cruz Public Libraries

Eric Howard is serving as the Interim Director for the second time since beginning at the Santa Cruz Public Libraries nearly five years ago. Eric began his career in public libraries in Queens, NY where he managed branch libraries and developed innovative programming that connected the community to the arts, education and civic engagement. He has also served as Assistant Director of libraries in Salinas and in Palo Alto.

Quote/Statement

“Our beautiful new library in Aptos embodies the values of our community, from its commitment to lifelong learning and community space, to its thoughtful design, which reflects not only Aptos’ history and unique setting at the intersection of land and sea but also includes energy-efficient design features. This will be a community asset for generations to come.
