Library Director's Report to the LFFA

APTOS: Reopened on February 4th 2024!

The 8,000 sf building, built in 1975, suspended services in June 2021. Demolition took place on May 18, 2022 with a formal groundbreaking on June 11, 2022. The new 12,000 sf library features flexible community, meeting and study rooms; garden and terrace areas; a local history section and display space for the Aptos History Museum; children, teen and adult reading areas; it also maximizes its energy efficiency. Project Team: Design-Build by Anderson Brule Architects and Bogard Construction; Project Management and Administration by Santa Cruz County Department of Public Works Capital Projects Division.

BOULDER CREEK: Construction Complete (A new project is being planned)

Complete Interior remodel of the existing 4,500 sf library includes new infrastructure (HVAC, plumbing, entry, electrical, and lighting); upgrades throughout to comply with accessibility standards and increased exterior lighting of the parking lot; complete redo of the children's area; renovation of the main room and meeting room. Project Team: Design by Jayson Architecture; Construction by CRW builders; Construction Management by Bogard Construction, Project Management and Administration by Santa Cruz County Department of Public Works Capital Projects Division. Currently, the Library is researching costs for a natural gas generator. The intent with the generator is to have the Library serve as a community resource center. The Library reopened May 7, 2022.

BRANCIFORTE: Construction Complete

The renovation builds on the character of this iconic mid-century building (1967), refreshing the 6,800 SF interior for improved flexibility, function, and accessibility with areas for adult reading, children, and teens; electrical and telecommunication upgrades; the project also includes the development of a new community room and a children's outdoor patio. Design by Jayson Architecture; JPB Designs builder; construction management by Bogard. The library reopened on May 13, 2023.

CAPITOLA: Construction Complete

The previous temporary facility has been replaced with a stunning new 11,700 sf library. The new branch opened to the public in June and is already quite busy. A hub for community activity, the new library features a large meeting room, expanded children's wing, study and reading rooms, outdoor deck, fireplace and teen space. An energy efficient design makes this one of the greenest buildings in the Library system. The new library opened June 12, 2021.

DOWNTOWN SANTA CRUZ: The library at 224 Church Street remains open.

City of Santa Cruz is preparing for the final bond issuance for the new Downtown Library and Affordable Housing Project (DLAHP). The project team continues to work on Construction Documents that will lead to a building permit application in April/May of 2024. The DLAHP located at Cedar and Lincoln Street (Parking Lot 4) incorporates a new 41,000+ square foot facility with a large community room and outdoor rooftop deck, an upgraded children's programming room, teen room, and special collections room for genealogy and local history. The affordable housing component features 124 units of low-income housing with greenspaces, 243 parking spaces, and 258 bike parking spaces. Griffin Structures serves as the Owner's Representative; Eden Housing and For the Future Housing are the affordable housing developer team; Jayson Architecture is the master architect for the Library components. Construction is set to begin in early 2025, with

completion in late 2027. For project information visit:
www.cityofsantacruz.com/downtownlibraryaffordablehousing

FELTON: Construction Complete

The Felton Library branch operated for nearly 60 years in a historic church building; a charming, but not a modern library. The first Measure S project to be completed, the new 9,000 sf branch located on 2 acres of land connects to the Felton Discovery County Park. This stunning space includes comfortable reading areas, free computers/WiFi, teen and children's areas, community room and adjacent discovery park. Teall Messer architect, Noll and Tam interior, Thompson Builders contractor. The Library opened in February 22, 2020.

GARFIELD PARK: Construction Complete

The renovation brought new life to the historic 2,300 sf Carnegie library building (1915) with refreshed and cohesive design. Features include central seating area around the fireplace, children's area, a more open plan, better use of windows for natural light, meeting room and refreshed outdoor space. Design by Jayson Architecture; CRW builders, construction management by Bogard. The Library reopened on June 11, 2022. The Library was closed January 23 and 24, 2023 to make minor repairs to the floor. The new interior Branch sign was installed in September 2023.

LA SELVA BEACH: Construction Complete

The project included replacement of dilapidated interior finishes plus new lighting, electrical, and mechanical systems. Sliding glass wall between the adult and children's areas improves acoustics, lighting and flexibility. Lounge seating areas are provided for both children and adults for reading, tutoring and community programs; and an expanded deck increases usable outdoor space. Jayson Architecture design, C2Builders construction. Renovation completed March 20, 2021.

LIVE OAK: Construction Complete

The Live Oak Library renovation revitalized the children's area, transforming it into an ocean themed learning space. New acoustic wood ceiling and wall treatments, carpeting and redesigned seating completed the functional yet playful setting. A custom designed wall separates the children's collections from an "under-the-sea" inspired reading lounge and homework room. Design by Jayson Architecture. Live Oak Library branch reopened October 1, 2022.

LIVE OAK ANNEX: Construction began April 2022

The new Library Annex is attached to the Simpkins Swim Center. It provides a Library programming room and individual study rooms for patrons. Design by Noll and Tam; CRW builders, construction management by Bogard. The Santa Cruz Board of Supervisors selected team Sobrante dba ARTful Catalyst LLC on January 10, 2023, to provide the public art for the Live Oak Library Annex project. Construction delays continue. Anticipated opening is summer 2024.

SCOTTS VALLEY: Construction Complete

This 13,150-sf library was opened in 2011 with design by Group 4, transforming a previous roller rink with contemporary library features such as flexible space, dedicated areas for children, teens and adults, community room and courtyard. A new roof, HVAC system, and parking lot repairs page 7 were completed in early 2021; seismic and operational upgrades were made. The Grand Reopening of the Scotts Valley Library branch took place August 6, 2022. Additional work to provide a brighter lighting solution and relocate the thermostat to the community room occurred in early October.

STAFF REPORT

AGENDA: May 2, 2024
TO: Libraries Facilities Financing Authority Board
FROM: LFFA Treasurer-Controller
RE: Libraries Facilities Financing Authority Proposed Budgets for 2024-25

RECOMMENDATION

Accept the Proposed 2024-2025 Libraries Facilities Financing Authority (LFFA) Budgets including the General Fund Proposed Budget and the Debt Service Fund Proposed Budget and recommend placing the approval of the Final Budgets on the next agenda.

DISCUSSION

The attached Proposed Budgets reflect the anticipated Sources and Uses of LFFA Funds. The primary source of funds is Measure S Special tax revenue. After the payment of debt service each member receives a share of net special tax revenue up to their maximum authorized distribution amounts.

Upon issuance of the second series of bonds, the City of Capitola and the County of Santa Cruz received their maximum authorized distribution amounts, and therefore will not receive distributions of net special tax in 2024-25. Distributions of net special tax will continue to be made to the City of Scotts Valley and the City of Santa Cruz until such time as a final bond is issued to fund the remaining allocation.

In prior years the County Treasury netted accounting and auditing fees with Special Tax assessments distributed to the LFFA. To improve transparency the LFFA is reporting gross Special Tax assessments and accounting fees separately. The result is in an increase in estimated actuals and proposed budget for assessments and accounting and auditing fees.

The allocation of Special Tax in the 2024-25 budget is based on the percentages reflected below.

Member	Maximum Distribution Amounts per JPA	Distribution Percentages per JPA	Speical Tax Distribution Percentage
City of Capitola	\$10,000,000	12.90%	Fully distributed
City of Santa Cruz	31,250,000	40.32%	98.65%
City of Scotts Valley	3,750,000	4.84%	1.35%

STAFF REPORT

AGENDA: May 2, 2024
TO: Libraries Facilities Financing Authority Board
FROM: LFFA Treasurer-Controller
RE: Special Tax Bond Quarterly Financial Reports as of March 31, 2024

RECOMMENDATION

Accept and file the attached financial statements of the Community Facilities District No. 2016-1 as of March 31, 2024.

DISCUSSION

The attached statements provide your Board with a summary of the activity and balances for funds held in trust at Bank of New York as well as an accounting of bond and special tax distributions as of March 31, 2024.

The first attachment, Improvement Fund Activity and Balances of Member Accounts Held in Trust at Bank of New York as of March 31, 2024, provides your Board with an accounting of the funds received into member trust accounts and distributed to members from both the 2017 and the 2020 bond issuances. As of March 31, 2024, the total balance in trust accounts with Bank of New York for these funds is \$737,272.10.

The 2017 Special Tax Bond was sold in June 2017. As of March 31, 2024, all 2017 bond funds have been drawn down to reimburse eligible expenditures. The remaining \$0.89 is interest income.

The second attachment, Member Distribution Summary as of March 31, 2024, provides your Board with an accounting of the \$40,962,660 total bond proceeds received from the two bond issuances as well as a reporting of the \$21,360,606 special tax that has been allocated to each member. Because the City of Capitola and the County of Santa Cruz have received their full distribution amounts the special tax remaining after debt payments are made will be distributed only to the City of Santa Cruz and the City of Scotts Valley until they also reach their maximum distribution amount through either bond proceeds or special tax payments.

Hello, In case I am not at the meeting in person, please consider this as Public Comment to the following agenda item:

Item 6 C - Consent Agenda -Special Tax Bond Report

On Page 11, Attachment #1 - City of Santa Cruz - Maximum distribution shown is \$31,250,000.

On Page 15, Attachment #2 - City of Santa Cruz - Authorized distribution amount is \$31,250,000.

Balance to distribute is \$14,972,771.

Can you please help the public understand these figures?

Is "Balance to distribute" the amount of money left in Measure S?

Thank you.
